

San Bernardino Freeway (I-10) High Occupancy Vehicle Lane Project

Ramp Closure as Part of 10 HOV Construction Project

Westbound I-10 Sunset Avenue Long-Term Ramp Closure

West Covina – The California Department of Transportation (Caltrans) has closed the westbound San Bernardino Freeway (I-10) Sunset Avenue off-ramp as part of the High Occupancy Vehicle lane construction project. Motorists attempting to exit I-10 may experience delays and are encouraged to use alternate routes. The ramp closure will remain in effect through March, 2018.

Detour signs will be posted. Ames Construction, Inc. is the contractor on this \$110 million project, which will add an HOV lane in each direction of I-10 between Puente Avenue and Citrus Street. This is the second of three projects that upon completion will offer one continuous HOV lane from downtown Los Angeles to San Bernardino County.
